NEWS RELEASE - Command Financial Press ISO/IEC 27001:2013 Certification

November 2, 2015

ISO/IEC 27001:2013 Certification Earned By Command Financial Press

(Pittsburgh, PA) SRI Quality System Registrar is pleased to announce that it has recently awarded an ISO/IEC 27001:2013 Management System certificate to Command Financial Press, located in New York, New York. The scope of Command Financial Press' Information Security Management System (ISMS) is focused on Command's Automated Publishing Systems (CAPS) and assuring the confidentiality, availability, integrity of customer information and the resiliency of critical information systems which support CAPS.

According to Edward L. Maschmeier, Director, Certification: "We are pleased to acknowledge that Command Financial Press has demonstrated effective implementation of a management system. ISO/IEC 27001 certification provides evidence to customers, suppliers, employees, and their community of their commitment to information security and customer satisfaction."

ISO/IEC 27001:2013 is process-based; certification recognizes organizations that can link business objectives with operating effectiveness. Companies that achieve management system certification to ISO/IEC 27001:2013 have demonstrated effective implementation of documentation and records management, top management's commitment to their customers, establishment of clear policy, good planning and implementation, good resource security and management, and efficient process control, measurement, and analysis. Continual improvement has been institutionalized.

SRI Quality System Registrar is an internationally accredited registrar for management systems standards, such as ISO 9001, AS9100, ISO/TS 16949, OHSAS 18001, ISO 13485, ISO 20000-1, ISO 27001, ISO 22000 and environmental management systems standards such as ISO 14001, RC14001, and RCMS. SRI also provides public training for auditing, implementing, and maintaining these standards.
