Command Announces Hiring of John Gong as Vice President of Investment Company Services

New York, September 19, 2016: Command Financial is pleased to announce that John Gong has joined Command as Vice President of Investment Company Services. John will lead our ongoing development and implementation efforts related to the Shareholder Reports module of CAPS, as well as head up our CAPS client support team of experienced fund administration professionals and other CAPS specialists. With over 27 years of experience in fund accounting and administration as well as background in fund administration automation, John is well equipped to continue CAPS best-of-breed track record related to content and data automation.

John is joining us from JP Morgan Funds Management where he served as Head of Infrastructure Initiatives. A sample of some of the projects he worked on includes monthly valuation analysis, NAV oversight modeling, quarterly reporting on derivative securities, and Form PF. Previous to JP Morgan, John worked at Bank of New York Mellon in Fund Administration where he was responsible for the successful implementation of a third party financial reporting platform.

About Command Financial:

Command Financial is a world-class leader in providing superior and integrated document lifecycle management solutions for leading public corporations, law firms, and investment companies. Command continually redefines financial printing by leveraging technology and combining it with personalized service to provide unparalleled cost efficiencies as well as the highest quality products and service levels related to regulatory and compliance requirements. The Company, founded in 1990, serves its clients nationwide and on an around-the-clock basis from its headquarters in New York City.
